Sandwiches

You will need one set of 0 – 9 number cards.

❍ Take the cards 1, 2, 3, 4, 5 and 6 from the set.

❍ Place all six cards in the boxes to make three numbers. One way to do it is shown here.

❍ The numbers must be in order, with a large one at the top and a small one at the bottom.

❍ Find all the ways of putting the six cards in the boxes. Record each one.

❍ Choose six cards of your own and repeat the problem.

Large 6 4
Medium 5 2
Small 3 1
